

Head protection

GO-SPECS TEC CLEAR

SAFETY GLASSES

The alternative to goggles for greater comfort - adjustable frame for a perfect fit, tapered design, ultra-lightweight, these compact goggles offer protection from liquid or solid splashes

Specific benefits

Comfort

- Ample indirect venting on the top and bottom of the lens to reduce moisture infiltration and fogging

Performance

- Barrier against dust and sweat
- Design incorporates brow protection and both side shields and vents for an optimal vision in heat conditions
- High performance optical class for less visual fatigue
- Neoprene headband more resistant to chemicals

Easy to use

- Ideal alternative to eye masks, more compact, lighter, more comfortable

Applications

- Public works
- Building
- Finishing works / Craftsmanship
- Mining
- Power Energy
